A long time ago, shepherds would connect the stars in the night sky to make constellations.

Before long, each of them became accompanied by a myriad of legends.

We, who exist as the incarnation and will of the stars, grew interested...

That's why we decided to build a small observation satellite next to the Earth.

To us, humans are naive and foolish. But that's exactly what makes them so endearing.
L... PLEASE?
GIRL SATELLITE
Hani

IS IT REALLY OKAY FOR US TO APPROACH EARTH?
ANTARES...
ANTARES (SCORPIUS)
LET'S VISIT THEM FOR A LITTLE WHILE?
EEH? ISN'T THIS CLOSE ENOUGH ALREADY, PRAESEPE?
L (LIBRA)
PRAESEPE (CANCER)
IT'S OKAY, IT'S OKAY! HUMANS CAN'T SEE US IF WE DON'T FEEL LIKE IT, ANYWAY.
We belong to a higher existence, after all.
SPICA, REGULUS! LET'S GO A LITTLE CLOSER!
SPICA (VIRGO)
AYE-AYE!
REGULUS (LEO)

WE'RE SENDING PROBES DOWN TO THE SURFACE ANYWAY, SO THERE'S NO POINT GOING TO SEE THEM IN PERSON, IS THERE?
BUT I JUST WANT TO SEE THEM!

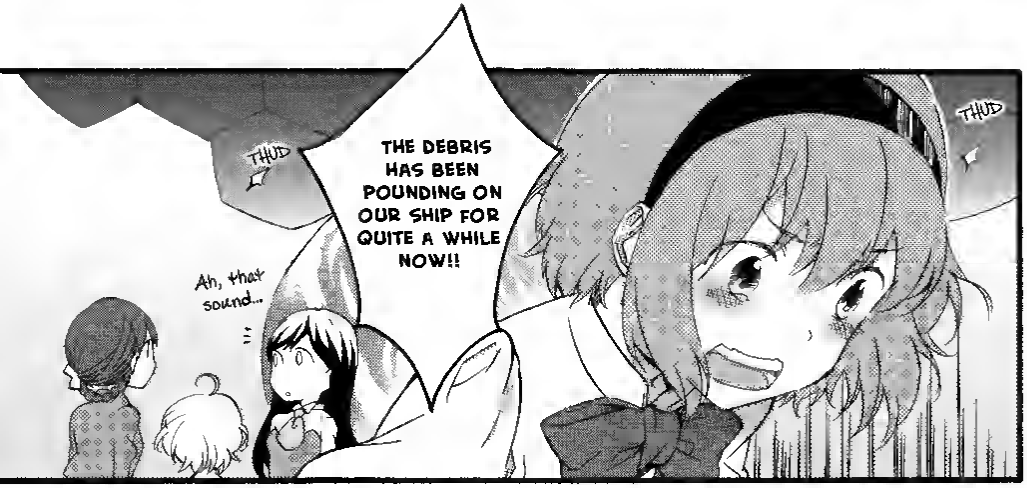
THEY CERTAINLY ARE QUITE INTERESTING, I GUESS.
GEEZ, ANTARES, YOU TOO?

"TAKE THIS SHIP AND USE IT TO OBSERVE HUMAN LIFE."
THAT'S OUR JOB, RIGHT?
That's why we have to get a bit closer

WHAT'S SO INTERESTING ABOU...
GAH!!
BONK
L!!!
KYAA!
DEBRIS, HUH?

IT'S LIKE A DEBRIS TREASURY.
WE COULD HAVE GOTTEN TOO CLOSE TO THE LEO (LOW EARTH ORBIT).
DEBRIS?
SEEMS LIKE IT MIGHT HAVE BEEN PART OF A SATELLITE...
I SEE...
You sure know a lot, Regulus
WELL, BASICALLY, SPACE JUNK.
SPACE DEBRIS. MOST OF THEM ARE SATELLITE REMNANTS, BUT SOME WERE DELIBERATELY SCATTERED AROUND...

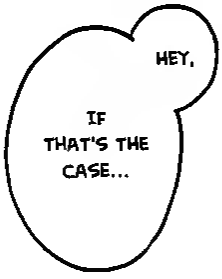
THUD
THUD
THUD
ARE YOU OKAY, L?
Coming out unscathed after being hit by something flying at 27000 km/h. We're really superhuman, huh?
.....YOU KNOW..



THUD
THE DEBRIS HAS BEEN POUNDING ON OUR SHIP FOR QUITE A WHILE NOW!!
THUD
Ah, that sound...

AFTER ALL, SINCE THERE'S NO BACTERIA IN THE VOID OF SPACE, THE TRASH WILL NEVER DECOMPOSE
THEY'LL JUST END UP ENDLESSLY ORBITING THE EARTH

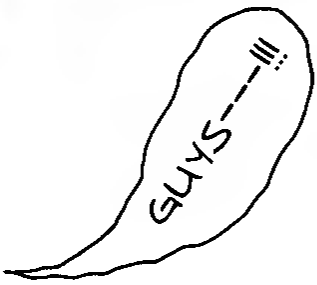
GOING OUT OF THEIR WAY TO SPREAD TRASH AROUND THEIR OWN PLANET...
ARE THOSE HUMANS OUT OF THEIR MINDS?!
WELL, THAT'S TRUE...



HEY,
IF THAT'S THE CASE...

WHY DON'T WE ALL CLEAN UP THIS PLACE...
...TO-GETHER?
...SO,
WHAT'S WITH THIS?

GEEZ...
THIS IS A TRADITIONAL UNIFORM THAT EARTHLINGS WEAR WHEN CLEANING!
ARE YOU SURE ABOUT THAT ?
They're known as "Victorian Maidens"
WHY DO WE HAVE TO DO SOMETHING LIKE THIS . ?
'CAUSE IT'S PART OF OUR INVESTI-GATIONS?



GUYS---!!!

HELP ME!!
MY, MY.
Sigh...
GOOD WORK.

SPICA?
HEY, L. THIS DEBRIS IS THE PROOF OF HUMANS' DEVELOPMENT INTO SPACE.
I GUESS SO.
THAT'S QUITE A LOT... HUMANS REALLY ARE HOPELESS.
THE HUMANS STRIVED TO GO INTO SPACE DESPITE THEIR UTTER HELPLESSNESS, AND CRAWLED FORWARD LITTLE BY LITTLE UNTIL THEY REACHED IT.

I THINK THESE HUMANS CAN DEFINITELY KEEP MOVING FORWARD.
...I WONDER ABOUT THAT.
TRUST ME.
RIGHT NOW, THEY'RE OBSERVING THIS DEBRIS FROM THE SURFACE. THEY EVEN HAVE METHODS TO PREDICT ITS ORBIT.
HUMANS CAN BE PRETTY INTERES-TING
THAT'S WHY WE'RE HERE, RIGHT?

I WONDER WHAT THAT BROKE OFF FROM
Pretty, don't you think?
...YEAH.

AAAHH, I'M BEAT
WANT TO TAKE A BATH?
SLIDE
L?
HUH? WHERE'S L?

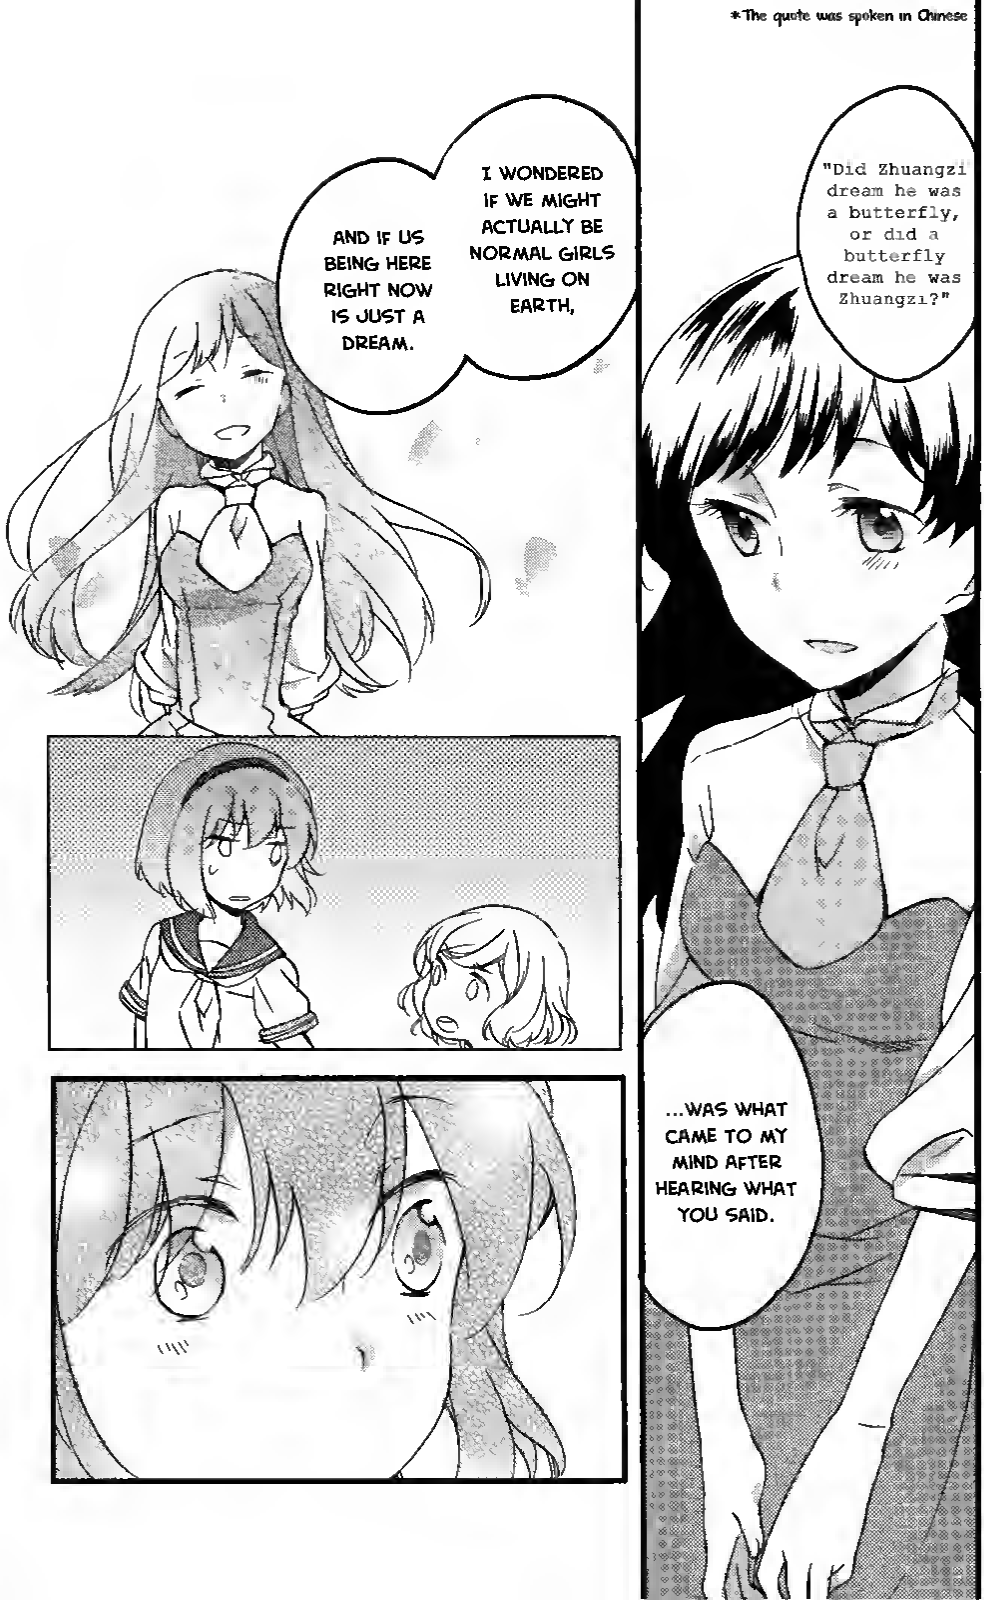
We are the incarnations of the constellations, mimicking human form.

...WHAT'S GOING ON?
A DREAM?
Our duty is to observe the lives of the humans dwelling on that planet.
WE'RE MIMICKING HUMANS, AFTER ALL. SHOULDN'T WE BE ABLE TO DO AT LEAST THAT MUCH?
YEAH.
OOH... US TOO, WE ALSO SEE DREAMS SOMETIMES.
...
IT'S INTERESTING, ISN'T IT? A DREAM WHERE WE BECOME HUMANS.
IT FEELS SO TIGHT HERE.

OH, YOU MEAN THE DREAMS ?
YES.
DO YOU KNOW ABOUT "THE BUTTERFLY'S DREAM"?
LI!
UM, ABOUT THE CONVERSATION EARLIER
REGULUS?
NOT AT ALL.
What is it?
UM .. IT'S A CHINESE CLASSIC
THERE WAS A PERSON WHO ONCE DREAMED ABOUT BEING A BUTTERFLY.
AND HE WONDERED IF THAT WAS REALLY A DREAM, OR IF HE WAS THE DREAM OF A BUTTERFLY ..



*The quote was spoken in Chinese
"Did Zhuangzi dream he was a butterfly, or did a butterfly dream he was Zhuangzi?"
...WAS WHAT CAME TO MY MIND AFTER HEARING WHAT YOU SAID.
I WONDERED IF WE MIGHT ACTUALLY BE NORMAL GIRLS LIVING ON EARTH,
AND IF US BEING HERE RIGHT NOW IS JUST A DREAM.

...I KNOW, RIGHT?
...THAT SOUNDS LOVELY
...YEAH.

YOU WERE TOTALLY A HIGH SCHOOL GIRL IN MY DREAM, REGULUS!
EH, REALLY?
IT'S PRETTY INTERESTING, DON'T YOU THINK?

GIRL SATELLITE

The story up till now.

An observation satellite revolves around Earth
The incarnations of the stars live inside,
enchanted by the humans and their lifestyles.

Sometimes, they clean up debris
Sometimes, they swim in the oceans of the moon
Sometimes, they see strange dreams

They take the form of young girls, happily
chatting amongst themselves. What will
interest the great stars this time?

The girls watching over Earth

L (LIBRA)
A young and sensitive girl. She is often seen with Praesepe

PRAESEPE (CANCER)
Lively and energetic! But she's surprisingly wary

SPICA (VIRGO)
A fluffy onee-sama type, but she has a mysterious side?

REGULUS (LEO)
Quite level-headed. A studious person who likes to read

ANTARES (SCORPIUS)
Serious and adult-like. Likes to raise plants from Earth
